

QUALIFICATIONS FRAMEWORK

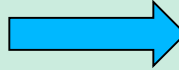

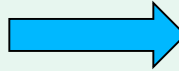

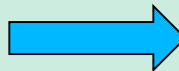

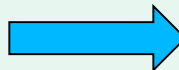

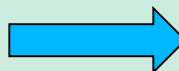

Four aspects that are paramount to consider for a qualifications framework:

- **PARADIGM SHIFT**
- **POWER SHIFT**
- **REDEFINING BOUNDARIES**
- **IMPACT OF QUALITY ASSURANCE**

PARADIGM SHIFT

From			To
	Set Notions		Competencies
	Programme/Curriculum		learning / on-the-job training / life experience
	Structure		Pathways
	Sequencing		modularization
	<p>Under a qualifications framework there is always a next step for everyone including pathway through Recognition of Prior Learning</p>		

POWER SHIFT

From			To
	Providers dictating terms		Users (Stakeholders) dictating terms
	Education		manpower / economic development / labour / social justice
	Institutions		Government
	Teachers		Learners
	Diffused		Centralized
